

Date: March 2021

Action Plan

Eco-Schools Topic:

Litter

Aim:

- To keep our school grounds clean and tidy
- To help to keep our local area clean and litter free

Action(s):

- Regular litter picks
- Talk to friends and families about keeping our local area tidy
- Regular updates on social media

How long will it take?

- Continuous

Who is responsible?

- Staff
- Pupils
- Cleaning staff
- Local community

How we will monitor progress:

- Regular checks of the school and local area

Evaluation:

- Is this a place we are proud to live in?

Eco-Schools Topic:

Marine

Aim:

- To raise awareness of the devastating effects of plastic in the ocean
- To recycle plastic pens and ink cartridges

Action(s):

- Children learn about marine life / oceans / plastic damage in certain BRAVE topics
- Continuous collection of plastic waste to be delivered to our Terracycle contact

How long will it take?

- Ongoing

Who is responsible?

- All classes
- Eco-Committee
- Mrs Price

How we will monitor progress:

- Communication with teachers, pupils and cleaning staff ensures plastic waste is put in the correct place

Evaluation:

- Collection tally / photos each week

Eco-Schools Topic:

Waste

Aim:

- To reduce the amount of waste going to landfill
- To recycle as much as we can

Action(s):

- All areas have recycling bins. Children know which bin to use for rubbish and recycling
- Staff are mindful of the amount of paper they are using
- Refuse, reduce, reuse, recycle

How long will it take?

- Areas are all set up with recycling points
- Continuous education and reminders

Who is responsible?

- All classes
- Cleaning staff

How we will monitor progress:

- Recycling bins are used more than rubbish bins
- The amount of paper used is reduced

Evaluation:

- Is everyone aware how to prevent waste?

Action Plan

Eco-Schools Topic: School Grounds

Aim:

- To use the outside area more for learning
- To develop and maintain the school grounds

Action(s):

- Teachers will find opportunities to learn outside
- Children will take care of the play equipment
- The allotment will be kept tidy and plants looked after

How long will it take?

- Continuous
- By summer 2022 we hope our allotment and grounds will be flourishing again

Who is responsible?

- Children
- Teachers

How we will monitor progress:

- Checks on the allotment
- Regular lessons outside

Evaluation:

- Are our school grounds purposeful for learning and growing?

Eco-Schools Topic: Bio-Diversity

Aim:

- To bring the plants and allotment back to life
- To create areas to attract insects and wildlife

Action(s):

- Raise money to buy gardening equipment
- Cut back dead plants
- Tidy and organise greenhouse
- Plant new seeds
- Create a bug hotel
- Have a hedgehog house

How long will it take?

- Begin in summer 2021
- Continue to upkeep and renew

Who is responsible?

- Mrs Price
- Mrs Tyler
- Eco-Committee

How we will monitor progress:

- The field will be well-looked after
- Old and new plants will grow

Evaluation:

- Have children tried some of the food we grow?
